**Phone (250)785-9995**

## Fort St. John Links Golf Tournament

2.

Thank you for booking your tournament with us. We are here to help you enjoy your day. Please give the following information to the person or committee that you have organizing the event. If all of us are prepared ahead of time, the day should be a big success and everyone will have a great time.

When you book the tournament, we need a rough idea of how many participants you will have. **A more exact number is required five days before the tournament.** If you need extra meals, please let us know as early as possible.

We have a fully stocked pro shop to help you with your prize needs. With sufficient notice we can also get your custom company logo on shirts, caps and golf balls for the event. Stop in at the pro shop anytime.

Like most golf courses in B.C. we are licensed to serve alcohol on the golf course. Please let us know if you have any special requests. We can sell to individuals. You can also get drink tickets from us and distribute them to your players. Companies may also run tabs with us. **The B.C. Liquor Control has now made it mandatory that everyone must be able to produce two pieces of I.D. at the time they are at a licensed establishment.** One piece must be picture I.D. As our course is licensed we all must comply. **It is illegal to bring outside alcohol onto the property.** We are required by law to confiscate all alcohol brought onto the course. Offending players will be asked to leave the property. To avoid any unpleasant situations on the day of your event, be sure your players are aware ahead of time of the above requirements. Please remind your people that just like lounges and pubs, where you don't take your own alcohol, we too are bound by the liquor laws. We will have a beverage cart on the course during your event.

Please remind your players they can book a power car up to one week ahead, if needed. We have over 20 power cars for rent.

We have rental equipment available:

**Power Cars** - \$22.00 for 9 holes (a credit card is required for each person renting, Unless your company wants to take the responsibility for the cars.

**Pull Carts** - \$4.00

**Rental Clubs** - \$10.00 (These prices include GST & PST)

## Fort St. John Links Golf Tournament

3.

Weekend tournaments will tee off after 1:00 p. m. We ask that you have your golfers at the course 45 minutes ahead of time so we can check them in for the day's activities. If they require rental equipment or power cars for the tournament, please have them call in advance so we can reserve one for them.

We recommend 9 hole tournaments, unless your group is all experienced golfers. The golf will take 3 hours with another couple hours for the B.B.Q. and prizes. If any of your group is planning on drinking have them leave their vehicles at home or leave them at the course for the night after the tournament. The parking lot is locked up every evening and opened again by 7:00 a.m. Taxis are recommended.

We have **signs and buckets** that you are invited to use for hidden hole prizes. A **putting contest** out front of the clubhouse is also very popular after the golfing. There is no extra charge. It's a lot of fun with some heckling.

If you have a lot of beginner golfers you are advised to do the **"Alternate Shot" format where 2 people hit one ball, alternately**. There are 4 people on each tee box (2 teams) playing together. Always start with people who have golf experience in your first group in the tournament and they will set the pace of play for the rest of the teams. **"Best Ball"** is another format (See attached sheet).

Each group should have at least one player who has played golf before. This person can be dubbed **"Captain"**. Nine holes of golf usually takes 2 hours. Your group playing best ball will take 3 hours. However, if left unchecked some groups can take 4 hours. This will spoil the day for anyone behind the slow group, whether with your people or others. This will also cause problems for the timing of your dinner and awards. If asked to pick up their pace or other request, it is not done to offend anyone (which is sometimes the perception of non golfers or players with little experience) but to help in the enjoyment for everyone on the course and keep you event running smoothly.

If you have any questions or concerns, please let us know. We will do our best to make it a great outing for you and your group. Phone Rose at (250) 785-9995.

## **FOUR PERSON BEST BALL FUN GOLF TOURNAMENT**

### **At the FORT ST. JOHN LINKS GOLF COURSE**

This event is a 9 hole, four-ball best ball tournament. Teams will be made up prior to the tournament along with tee-off times for each team. Each person should arrive 45 minutes ahead of their tee time so that they are ready to tee off at their correct time.

All golfers will play their own ball, but will move it after each shot to the ball position that the whole team agrees is the best lie.

You must use at least two tee shots for each golfer. On the remaining one hole, the team may use any player's shot. The decision as to whose tee shot to use is up to the team captain. If your team has only 3 players you still only need to use 2 of each person's drives, with 3 open holes to use anyone's tee shot.

Men will tee off from the **white markers** and ladies will use the **red markers**. Please keep practice swings to a very minimum.

Each team will have a maximum of 3 minutes to look for lost balls. Please be considerate of other teams and keep the play moving. You must keep up to the group in front of you, if you cannot keep up, your team should skip ahead on hole, to catch up again.

- a) In the fairways all players will hit at the same time by spreading out across the fairway (safely hitting).
- b) On the tees and greens, play one at a time.

The following are examples of holes that can be used for individual awards:

Men's Closest to the Pin:	Hole #6
Ladies Closest to the Pin:	Hole #6
Men's Longest Drive:	Hole #9
Ladies Longest Drive:	Hole #2
Longest Putt (everyone)	Hole #7

**HAVE FUN !!!**
